A

Art Unit: 3682

1. The Amendment filed on June 9, 2005 has been entered.
2. The drawings were received on June 9, 2005. These drawings are unaccepted by the Examiner because Applicant does not comply with 37 CFR 1.121(d). For example, Applicant did not label in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d).
3. The drawings filed on November 4, 2004 are objected to because Applicant's label "Amended" is at the top of Figs. 1 and 3 instead of at the bottom.

Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

4. The Amendment filed on June 9, 2005 is objected to under 37 CFR 1.173(c) because *each* claim amendment is not accompanied by an explanation of the support in the disclosure of the patent for the amendment. See MPEP 1453 and 37 CFR 1.173(c) quoted below:

§.173 Reissue specification, drawings, and amendments.

(c) Status of claims and support for claim changes.

Whenever there is an amendment to the claims pursuant to paragraph (b) of this section, there must also be supplied, on pages separate from the pages containing the changes, the status (i.e., pending or canceled), as of the date of the amendment, of all patent claims *and of all added claims*, and an explanation of the support in the disclosure of the patent for the changes made to the claims. (Emphasis added).

Art Unit: 3682

5. Claims 101-165 are allowed.
6. Applicant's arguments filed June 9, 2005 have been fully considered but they are not persuasive.

Drawings

The replacement sheets of drawings have been disapproved since they do not comply with 37 CFR 1.121(d).

Claim rejection

The previous rejection is withdrawn in view of Applicant's remarks.

7. This application is in condition for allowance except for the following formal matters: objections to the drawings and amendment above. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213. A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
